

WELCOME TO YOUR HOME AWAY FROM HOME

MEET YOUR HOSTS

Brief Description

Hi there, my name is Dercilio and I am married to my beautiful wife Maria. We live in Florida but we are citizens of the world. Sometime ago we decided that traveling would be our retirement plan so we invested in several properties in Brazil and will expand our portfolio to Europe and other regions so we can have a place we can call home.

We want to pass on our experiences by opening our doors to our guests with a comfortable and safe environment so they can also enjoy their experience. So come stay with us! You will love our home away from home!

WHAT YOU SHOULD EXPECT

Florianópolis has some of Brazil's most beautiful beaches. You can choose from as many as 42! On the beaches, you can find entertainment such as snorkeling, scuba diving, surfing, windsurfing. There are also local attractions, such as Cathedral Metropolitana, Municipal Market, Hercílio Luz Bridge.

HOW TO GET AROUND

what you should know

LOCAL BUS

It's cheap and reliable, though more time-consuming. There is a bus line going directly from the Florianopolis downtown to popular places on the island. There is also a bus connecting the international airport with the rest of the island.

TAXI

Taxis are probably the best way to get around. Taxi drivers in Floripa are honest and dependable, in contrast with taxi drivers in other big cities in Brazil.

UBER

If you need to do a lot of driving, rent a car—it will take you about two hours to travel between the north and south points. Renting can be expensive but it is worthwhile to save time and allow you to explore more!
